What We Learned

November 2024

We've had a productive and engaging month! The children were excited to learn new things through hands-on activities linked to our books and themes. We explored topics like "All About Me" and the five senses: sight, hearing, taste, smell, and touch. The children also enjoyed interactive story sessions, including *We're Going on a Bear Hunt* and *Handa's Surprise*, which helped bring these concepts to life. Each activity allowed them to explore, discover, and connect in meaningful ways!

Upcoming Events

On the 8th November, we'll be celebrating Cultural Day! All children, along with their parents, are invited to dress in traditional clothing and bring a cultural dish if convenient. Children who do not usually attend nursery on Fridays are also welcome to join us for the event, which will take place from 10:30 to 12:30.

Baking Activity

We had a fantastic pizza party at the nursery! The children had so much fun making their own pizzas, choosing their favourite toppings and decorating them just how they liked. After baking, they enjoyed tasting their pizza and were excited to take some slices home to share with their families. It was a fun activity that everyone enjoyed!

Donations

We are happy to accept donations of any gently used books and toys you may wish to give away. Your contributions will be greatly appreciated and will help enrich the children's experience here at the nursery!
